

Trends Related to Fertility and Fecundity
***Juno* Culminating Writing Task**

Choose one selection from each of the columns below to direct you in a writing task. Writing tasks should be no less than 300 words in length, and the ideas within the writing piece should relate to and reflect some of the concepts discussed within the chapter. Be prepared to share your written work in a future class.

Role	Audience	Format	Topic
Vanessa or Mark Loring - hopeful parent to be	A family member	Letter to the editor	The physical and psychological tolls of involuntary childlessness
Juno's child a few years into the future	A Member of Parliament	Diary entry	Choosing career over children
A fertility doctor	A close friend	News report / article	Issues causing infertility
Juno Macguff or Paulie Bleeker - with no interest in having children at this time	Someone just learning about some of the issues within this chapter	Speech	The need to decrease / increase the global population

Area	Level 1	2.5	Level 2	3	Level 3	4	Level 4	5
KU	Little...		Some...		Strong...		Excellent understanding of issues in the chapter	
TI	Few unique ideas reflected. Voice of the character could be clearer.		Ideas are very similar to readings / discussions and could be developed more. Voice of the character is apparent.		An original view of the issues. Ideas could still be developed further. Voice of character is strong.		A unique and thoughtful commentary about the issues in the chapter. Character's voice is captured flawlessly.	
C	Many unintentional errors and little evidence of reading.		Numerous errors affect understanding. More proofreading required.		Minor errors are evident, but they do not interfere with meaning.		Written work is nearly flawless, and the chosen format is well represented. Strong evidence of proofreading.	
A	Style chosen is not appropriate to the topic. Voice chosen is poorly demonstrated.		Style has errors. Voice is inconsistent.		Writing style used well, but it includes some errors. Voice varies at times.		Writing style is used effectively with few if any errors. Appropriate voice is consistently used.
